RECORDED TEXAS HISTORIC LANDMARK MARKERS

Purpose

Recorded Texas Historic Landmark (RTHL) markers are awarded to buildings and structures deemed worthy of preservation for their historical associations and architectural significance. Once designated as RTHL, properties are subject to provisions of Texas Government Code Section 442.006(f). The RTHL designation becomes effective upon approval by the THC. Owners of RTHL-designated properties must give the THC 60 days written notice before any alterations are made to the exterior of the structure. RTHL status is a permanent

TEXAS HISTORICAL COMMISSION

designation and a RTHL marker is not to be removed from the property in the event of a transfer of ownership. Only the THC can remove the designation or recall the marker.

Criteria

1. **Age:** Properties eligible for the RTHL designation and marker must be at least 50 years old.
2. **Historical significance:** Architectural significance alone is not enough to qualify a property for RTHL designation. It must have a significant historical association, which can come from an event that occurred at the site; through individuals who owned or lived on the property; or, in the case of bridges, industrial plants, schoolhouses and other non-residential properties, through documented significance to the larger community.
3. **Architectural significance:** Properties deemed architecturally significant include outstanding examples of architectural history through design, materials, structural type or construction methods. In all cases, eligible architectural properties must display integrity; that is, the structure should be in a good state of repair, maintain its appearance from its period of significance and be considered an exemplary model of preservation. Architectural significance is often best determined by the relevance of the property to broader contexts, including geography. Any changes over the years should be compatible with original design and reflect compliance with accepted preservation practices, e.g., the *Secretary of the Interior's Standards for Rehabilitation*.
4. **Good state of repair:** Structures not considered by the THC to be in a good state of repair are not eligible for RTHL designation. The THC reserves the sole right to make that determination.

SPECIAL CONSIDERATION FOR RTHL DOCUMENTATION:

National Register properties

Properties individually listed in the National Register of Historic Places (NR) under either Criterion A or B and Criterion C (Architecture) may not require additional documentation of the building's history or architecture. In such cases, only an RTHL application needs to be submitted. The THC has sole discretion to determine whether such documentation is satisfactory and correct or if documentation needs to be updated.

Check this box if the property is individually listed in the NR. Year listed:

Courthouses

Historic county courthouses with documented master plans accepted through the THC's Texas Historic Courthouse Preservation Program (THCPP) may not require additional documentation of the building's history or architecture. In such cases, only an RTHL application needs to be submitted. The THC has sole discretion to determine whether such documentation is satisfactory and correct or if documentation needs to be updated.

Check this box if the property is a courthouse with a master plan accepted through the THC's THCPP.

APPLICATION PROCEDURES

Any individual, group or county historical commission (CHC) may apply to the THC to request an Official Texas Historical Marker for what it deems a worthy topic. Only complete marker applications that contain all the required elements can be accepted or processed by the THC (for RTHL markers, the required elements are a sponsorship application form, narrative history, documentation, legal description, site plan, floor plan, historic photograph, and current photographs clearly showing each side of the structure—please resize digital photographs to 1-2 MB, or approximately 1024 x 768 pixels).

TEXAS HISTORICAL COMMISSION

- Completed applications must be duly reviewed, verified and approved by the county historical commission (CHC) in the county in which the marker will be placed.
- The sponsorship application form, narrative history and documentation must be submitted as Microsoft Word or Word-compatible documents and sent via email attachments to the THC from the CHC no later than 5 p.m., November 15, 2018, CST. Paper copies of applications, whether mailed or delivered, cannot be accepted in lieu of the electronic version. THC email accepts mail no larger than 10 MB. You may split the application and materials into separate emails. Please note this in the email subject line. (Ex. Post Oak Co., Smith House, Email 1 of 3, etc.)
- Required font style and type size are a Times variant and 12-point.
- Narrative histories must be typed in a double-spaced (or 1.5-spaced) format and include separate sections on context, overview and significance.
- The narrative history must include documentation in the form of reference notes, which can be either footnotes, endnotes, or parenthetical citations. Documentation associated with applications should be broad-based and demonstrate a survey of all available resources, both primary and secondary.
- **The CHC or Marker Chair will forward the application and supplemental materials to markerapplication@thc.texas.gov.** You will receive confirmation of your application being received. If you do not receive confirmation from the THC Marker Team within one week of sending your application, please contact our office.
- Upon notification of the successful preliminary review of required elements by the THC, a non-refundable application fee of \$100 is required, due by 5 p.m., November 30, 2018, CST. Please send payment with the invoice which THC provides. Payment of the application fee does not guarantee approval of the historical marker.
- A copy or scan of proof of current ownership is required to verify the property owner information listed on the application (page 6), due by 5 p.m., November 30, 2018, CST. You may access this information through county appraisal or tax records.

Once marker applications have passed preliminary review and the application fee and signed proof of property ownership have been received by THC, the application will be scored to determine whether the marker will be submitted to the Commissioners of the THC for final approval.

The Recorded Texas Historic Landmark (RTHL) designation is awarded to historic structures deemed worthy of preservation for their architectural integrity and historical associations. Designated properties are afforded a measure of legal protection and become part of the recorded history of the state's built environment.

Benefits of the RTHL designation:

- Recognition that a property is of local, regional or state significance.
- Protection for up to 90 days from exterior alterations, including demolition or relocation.
- Ad valorem tax exemptions, where granted by local taxing authorities.
- Inclusion in the Texas Historic Sites Atlas.
- Technical preservation assistance through the THC.

Responsibility of the property owner under the RTHL provision, as noted in Texas Government Code section 442.006 (f):

A person may not damage the historical or architectural integrity of a structure the commission has designated as a Recorded Texas Historic Landmark without notifying the commission at least 60 days before the date on which the action causing the damage is to begin. After receiving the notice, the commission may waive the waiting period or, if the commission determines that a longer period will enhance the chance for preservation, it may require an additional waiting period of not longer than 30 days. On the expiration of the time limits imposed by this section, the person may proceed, but must proceed not later than the 180th day after the date on which notice was given or the notice is considered to have expired.

Additionally:

- The designation requires the public display of the RTHL marker. The marker is the property of the State of Texas and may not be removed or relocated without the prior permission of the Texas Historical Commission.

TEXAS HISTORICAL COMMISSION

- RTHL status is a permanent designation which is retained with the property even upon transfer of ownership. Only the Texas Historical Commission may remove the designation.
- Structures designated as RTHLs do not have to be open to the public, but the marker must be accessible to the public.
